

# Yugen Presents

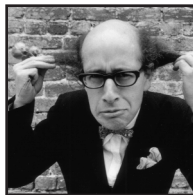

Theatre of Yugen presents a monthly series designed to showcase experimental and Asian-based performing artists and groups. We provide them rehearsal time at Noh Space as well as a Monday-Tuesday night engagement with all marketing and press services.

We select individual artists and groups from all genres - theater, dance, music - that reflect the kind of work we do, with one or more of the following qualities:

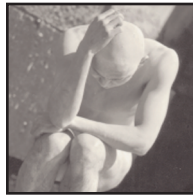

- physically-based
- experimental or avant-garde
- original work in progress
- traditional and contemporary Asian forms
- Japanese or Japanese-American heritage

*Keep an eye on the Theatre of Yugen... visit [www.theatreofyugen.org](http://www.theatreofyugen.org) for updates on Yugen Presents at the intimate Noh Space in Potrero Hill's Project Artaud complex. This monthly series is designed to showcase experimental and Asian-based performing artists. If Didi Nini Thowok is any indication, they are well worth checking out!*
